- Activate parental controls on your home devices.
- Model good digital habits for your child.
- Set ground rules for internet use.
- Navigate the internet together to understand their usage.

# Parents Gateway

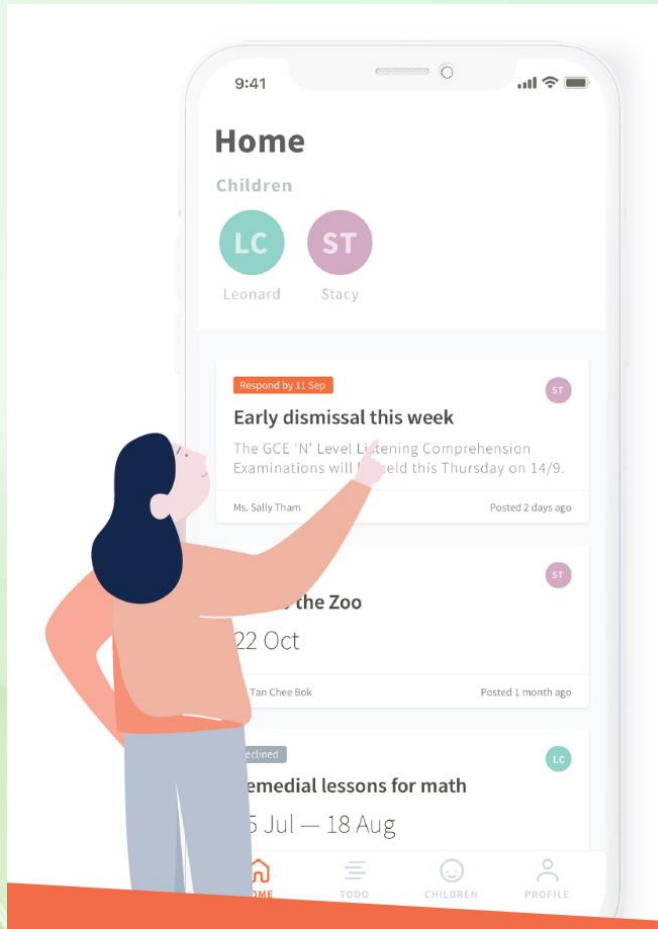

Parents' Gateway is a mobile app that connects parents and schools on key administrative matters, allowing schools to send updates on programmes and activities to parents, and for parents to perform administrative functions such as providing consent for their children to participate in school activities.

It aims to aggregate parent-teacher communications securely on a centralised digital platform. It is integrated with existing MOE records systems, so updates will be reflected in Parents Gateway in real-time.

# Parents Gateway

- Access all your official school announcements and consent forms at your fingertips.
- Give consent for your child's activities anytime, anywhere.
- Receive official announcements directly from schools.
- Keep track of upcoming activities for multiple children.

For more information on Parents Gateway, please visit <https://pg.moe.edu.sg/>
