Learning for Life Programme
(LLP)

Learning for Life Programme (LLP)

- initiative introduced by the Ministry of Education (MOE)
- exposes students to a wide range of experiences to **build their socio-emotional competencies** and to **acquire sound values**.
- instills in them a **sense of rootedness and responsibility** for their community, and an appreciation of aesthetics, sports and outdoor education.

Creative Arts

@ZHENGHUA

Students learn about the art forms and develop an appreciation of the arts and culture.

Experiences in the arts enable them to develop character and values.

Creative Arts @ZHENGHUA

3-Tiered Approach

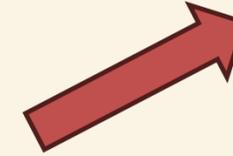

EXPOSURE

Programmes are broad-based and customised. It provides foundation for students to discover and pursue interest and strengths.

ENGAGEMENT

Programmes are focussed and targeted. Programmes develop skills and hone talents. It also engages students' interest and enable them to explore the art forms in depth.

ACCOMPLISHMENT

Programmes are focussed and targeted. Programmes further develop skills and hone talents. It involves in high levels of performance, and students are involved in maturing their strengths and talents.
